## The Dog and Duck Mobile Bar

A vintage working horse box we have converted to a high standard mobile bar. The inside has been refurbished with antique wood and bronze tiles. It will be an attractive focus point on your special day. Our intimate and subtle lighting looks beautiful when the sun starts to go down. At the rear there is a bar area, creating a space for your guests to mingle and enjoy their drinks. This also gives us more serving space; you do not want your guests to have empty glasses.

## The Dog and Partridge Mobile Bar

A handmade mobile bar carved from vintage wood with a bronze bar top, giving a gorgeous rustic look. The way it's been handmade allows us to structure the set up in many ways and can provide a bar service up to 6 meters long. Personally styled with our props, it's perfect for any set up indoors or outside.

## We Are Proud of Our Reviews

*The Dog and Duck were absolutely fantastic. They were brilliant from start to finish, from booking them and writing the menu with them and also sourcing specific drinks for us which made the event more personal. Their set up is really lovely, and the bar tenders were brilliant, really friendly, and attentive to our guests and looked after us perfectly, 10 out of 10.*

*Sarah, Jamie, and the rest of the team g, really friendly and go above and beyond to accommodate what works for you! They were able to supply any drinks we wanted at the bar. Sarah was responsive and incredibly helpful during while organising. There was already an onsite bar at my venue, but the team brought along a beautiful semi-circular bar so there was a bar inside and outside! It looked fantastic. The team were incredible on the day, it was so lovely to have them as a part of our wedding!*

*Thank you so much!!*

### **Ruby & Luke August 2023**

*We had such a great experience with Sarah, Jamie, Emma, and the rest of the team at our wedding! They went above and beyond to make sure we had the best day! They were very flexible when it came to the draft beers/cocktails we wanted, and we were able to personalise the menu completely! I highly recommend and look forward to visiting their pub in Brighton!*

All our bars are fully equipped so if you want your guests to sip hot chocolate whilst watching fireworks, we can make it happen. The horsebox is kitted out with a smoothie maker and professional espresso machine. Perfect for those espresso martinis. All our staff are all trained mixologists, so they know how to shake up a good cocktail. They are superb and work, day in day out with us at our pub so you know your guests will receive 1st class service. What is unique about us is that we can offer your guests draught beer and cask ale.

We offer various hire packages:

1. Dry Hire, the bar fully equipped with glassware and garnish. Travel, arranging your alcohol licence too if needed with 2 members of staff.
2. Cash and Card Bar: We provide a fully stocked bar, and your guests pay. The deposit is £250, and all your deposit is put towards any drinks you want to arrange or your tab on the day, effectively costing you nothing to hire. This includes everything, travel, set up, close, alcohol licence, glassware, drinks menu and staff, there are no extra hidden costs. You can also pay for some of the bar drinks, just let us know your budget. Great news is we keep prices in line with pub prices so its affordable for you and your guests.
3. Hire the bar with 2 staff, and then add on drinks packages. Typically, a keg of beer providing 88 pints is £200 as an example. We can tailor make any package and with our wholesale network we can give you the best price possible.

When you hire us for your wedding everything is included; travel, experienced staff, glassware, arrangement of alcohol licence, designing a bespoke drinks menu suited to your theme. You do not have to worry. We can even arrange your arrival and wedding breakfast drinks.
